

May 08, 2009

Dear Friends,

Congratulations to the Space Center Rotary Club, on this, the 23<sup>rd</sup> presentation of the Rotary National Award for Space Achievement. Please accept this letter as my recognition of this outstanding milestone.

The service RNASA does for the space program in the Houston area is admirable and deserves applause. Since its beginning in 1985, The Rotary National Award for Space Achievement has recognized the successful hard work performed in human space exploration. Thank you all for stepping up and being role models to your fellow citizens. You should all feel honored for being a part of such an organization. I wish you many more years to come!

Again, congratulations on your great work. I am honored to represent each of you in the United States House of Representatives. Please do not hesitate to contact me if I can ever be of any service to you with any federal matter.

Very respectfully,

A handwritten signature in cursive script that reads "Pete Olson".

Pete Olson  
Member of Congress
